The Experiential Webs We Weave**
A Three-Day Intergroup Exploration of Group Relations & the Arts

**Exploring Themes of Leadership, Authority, Responsibility and
Freedom of Expression In an Era of Disruption**

February 28, 29 and March 1, 2020

Interest In Participation Form

DEADLINE: January 31st, 2020

The **overall goal of the event** is to create a coordinated set of interdisciplinary co-curricular community learning experiences that together form a living laboratory of exploration and experimentation around the themes of leadership, authority, responsibility and freedom of expression with real-world application. This opportunity is open to student and community groups.

IMPORTANT: Please ensure the installation, performance or experience being proposed has an intention of:

1. Facilitating the exploration of event themes (i.e., leadership, authority, responsibility and freedom of expression)
2. Including space to explore the meaning of that experience from the lens of Group Relations. For more information on Group Relations, please visit: <http://www.csudh.edu/group-relations>

We can imagine music, dance, drumming, community mural and/or structure building, Improv theatre, poetry/spoken word among other performances/experiences.

Once your proposal is reviewed and accepted, you will be asked to select a representative to send to an initial planning and orientation meeting where we discuss the event, its overall intention and our respective roles. During this meeting, the planning committee will also be providing more information regarding the concept of intergroup dynamics, the way we plan to study how groups form and interact with other groups over the course of this event, and how what we co-create together might reflect and inform us about aspects of the larger system.

If you think your club or organization might be interested in participating in this event, please fill out the information requested below. Then scan and email the completed form to tvictor@csudh.edu copying smoreno64@toromail.csudh.edu and tduffy1@toromail.csudh.edu or turn in a completed hard copy into Liz Som in the Psychology Department (SBS A336).

Deadline for expressing interest in participating: **January 31, 2020.**

We will notify all applicants about status by **Friday February 7th, 2020**. The planning and orientation meeting will be scheduled thereafter.
